

Parking Policy

Diamond District

ACCESS:

- Only vehicles that have requested access via <https://districtaccess.awdc.be>, and have been granted it, are allowed in the diamond district.
- Exceptions are recorded in a document used by the police.

CIRCULATION:

- Entering the diamond district via Schupstraat and exiting via Rijfstraat.
- High-value transport, police and emergency responders are exempt and can go both ways.
- Users of underground parking lots can exit the diamond district between 5pm and 7am in both directions.
- Entering traffic has the right of way over exiting traffic.
- Deviations are possible. These will be announced by AWDC or as instructed by the police.

PARKING:

- Parking is only allowed on the blue spots on the plan, and limited to the requested time slot.
- Make sure there is always free passage in the diamond district of 4 meters, so that pedestrians can pass safely.
- Place your mobile number legibly behind the windshield of your vehicle.
- The parking spots for police are indicated and can only be used by them.
- The charging post in the Hoveniersstraat can only be used by the police.

ACTIVITIES:

- Protect the street with wood or rubber when placing containers.
- Notify any damage to the public space (e.g. planters, benches, gate...) to the police, and avoid a conviction for hit-and-run.
