

Dear industry member,

Next week, the retake AML exam takes place. The FPS Economy will organize this second AML exam session on **June 9th, 2026**.

The location will be confirmed closer to the date and will depend on the number of registrations. The exam will take place either at the **Provinciehuis Antwerp** or the **Antwerp Diamond Bourse**. You will receive confirmation of the final location by e-mail.

Register **before the deadline of June 4th (midnight)**.

Those who pass the exam will be exempt, for a period of three years, from the annual requirement to obtain an AML certificate by completing the webinar and answering the accompanying questions.

Didn't pass the first AML exam? Or were you unable to attend? You can still register for this second exam session and remain eligible for the three-year AML certification exemption if you pass. Max. 2 official AML officers per company can participate: the ultimate AML responsible (senior management representative) and the operational AML officer.
