

Dear industry member,

Since last summer, AWDC supports Antwerp diamond companies with their KYC/AML obligations by providing access to the KYCP tool.

We understand that, given its extensive range of features designed to support AML compliance, navigating the program or setting up your company's KYCP account can sometimes be challenging.

To help us make the tool as user-friendly as possible and identify potential hurdles, we have set up a short KYCP survey. Your feedback is valuable to us. The survey is completely anonymous, and the results will be used solely to improve the program.

You can fill in the survey here:

Share your thoughts! (<https://www.surveymonkey.com/r/ZWTK53B>)

We thank you in advance for sharing your valuable insights.

Together, we will make KYCP more user-friendly and straightforward.

Kind regards,

AWDC
